

VINIKONDA SUSHMASRI

ROBOTICS & STEM EDUCATOR | COMPUTER SCIENCE & CODING EDUCATOR

+91 9440234145 | sushmasrivinukonda@gmail.com

PROFESSIONAL SUMMARY

Dedicated Computer Science and STEM Educator with an M.Sc. in Computer Science and a strong foundation in technology education, digital tools and practical learning. Experienced in creating student-friendly learning experiences and explaining technical concepts through clear, activity-based demonstrations. Hands-on familiarity with Arduino, micro:bit, MakeCode, Scratch and Tinkercad, with an interest in robotics, electronics, sensors, motors, servos and simple circuits. Strong communication, analytical thinking and problem-solving skills, with readiness to conduct engaging live online classes.

CORE ROBOTICS & STEM SKILLS

Robotics & Electronics	Arduino • micro:bit • Sensors • Motors • Servo Motors • Simple Circuits • Basic Hardware Troubleshooting
Programming & Creative Tech Teaching	Scratch • MakeCode • Arduino IDE • Tinkercad Live Online Classes • Demo Classes • Hands-on Demonstrations • Student-Centered Learning • Lesson Planning • Mentoring
Digital Tools	Google Workspace • MS Office • Online Teaching Tools • Smart Classroom Technology
IT & Computer Science	Core Java • SQL • HTML • CSS • JavaScript • Web Technologies • Cloud Computing

PROFESSIONAL EXPERIENCE

Media Analyst Tagfact Services Pvt. Ltd.	Sept 2023 – Aug 2024
- Monitored and analyzed media coverage across digital platforms. - Prepared analytical reports and actionable insights for clients. - Collaborated on KOL and social-media intelligence projects. - Collected and optimized data from Twitter, Facebook, LinkedIn and online sources. - Supported data-driven decision-making and communication strategies.	

TEACHING & EDUCATIONAL EXPERTISE

- Computer Science instruction and practical laboratory guidance - Digital literacy and technology integration - Activity-based and student-centered learning - Explaining technical concepts in simple, practical and student-friendly language	- Assessment preparation and student mentoring - Smart classroom and educational technology utilization - Hands-on Robotics & STEM demonstrations using Arduino, micro:bit, Scratch, Tinkercad and MakeCode - Readiness to deliver live online and demo classes
--	---

EDUCATION

DEGREE	INSTITUTION	YEAR	PERCENTAGE
M.Sc. – Computer Science	Sathavahana University	2025	78%
B.Sc.	Sathavahana University	2023	87%
Intermediate	Alphores Junior College	2020	97%
SSC	Krishnaveni E-Techno School	2018	90%

CERTIFICATIONS

- Core Java, Web Technologies & SQL – JSpiders
- Cloud Computing – Telangana Academy for Skill and Knowledge (TASK)

STRENGTHS

Excellent Communication • Analytical Thinking • Problem Solving • Adaptability • Leadership • Positive Attitude • Continuous Learning

ROBOTICS & ONLINE TEACHING READINESS

- Prepared to conduct live online robotics and STEM learning sessions for school students.
- Comfortable with demonstration-led teaching, hands-on learning and practical project explanations.
- Able to support demo and regular learning classes using structured, student-friendly instruction.
- Ready to use online teaching platforms and digital classroom tools.
